

# Ceiling fitting light P 03

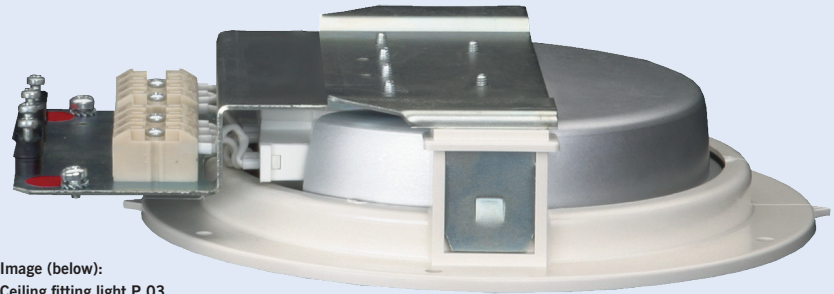

Image (below):  
Ceiling fitting light P 03  
height 51 mm

In the aluminium housing can be assembled different LED-carriers. Thereby, different visual effects are achieved. Possible is a luminous circular area, as well as small round starry sky.

## Technical parameters

### Ceiling fitting light

Order no.: P 03

### Technical parameters

Design: aluminium housing with reflector and lighting bulb or LED carrier with reflector

### Other technical data

Nominal voltage:	24 V DC
Input voltage range:	16,8 - 32 V DC
Current consumption:	5 - 22 W
Ambient temperature:	-25 °C to +70 °C
Dimensions:	Ø 195/165 mm, height 51mm
Light emission:	Ø 165 mm
Light intensity:	customer request
Tests:	EN 50121-3-2 DIN EN 50155
